Authorized to work in Canada and the United States

SUMMARY

Instructional designer with nearly 15 years designing learning for adult learners, applying ADDIE and Successive Approximation Model (SAM) processes and evaluation and accessibility standards to produce measurable, data-informed learning experiences across higher education, nonprofit, industry, and healthcare contexts.

SKILLS

Design and Process: needs analysis, measurable learning objectives, storyboarding, video scripting, subject matter expert (SME) interviews
Technology: eLearning development (Articulate Storyline, Rise, H5P) Learning Management Systems (LMS) (Canvas, Blackboard, and Moodle), Productivity tools (Office365, Google Suite), Survey software (Qualtrics, Checkbox), AI-assisted dashboard creation, video and audio production
Evaluation and Analysis: assessment design, Kirkpatrick Levels 1 to 3, survey design, learning analytics
Accessibility: Web Content Accessibility Guidelines (WCAG) 2.0, Section 508, Accessibility for Ontarians with Disabilities Act (AODA), captioning, alt text
Collaboration and Communication: SME consultation, leading design meetings, workshop facilitation and training delivery project and budget management, team supervision

EXPERIENCE

Instructional Designer (Contract), Center for Emerging and Digital Education — Oct 2023 - Present
University of Pittsburgh, Pittsburgh, Pennsylvania (remote)

- Design and build 10+ new online courses in Law, Data Science, Nursing, and Education, plus two professional programs for internal and external clients, aligning measurable objectives, activities, and assessments.
- Audit 40+ courses for technical and accessibility compliance, raising scores from 85% to 100%.
- Streamline project management and time tracking, with rollout to a team of 12 instructional designers.
- Build an AI-assisted dashboard for schedule risks; projected to cut design time 4-8 weeks per project.

Instructional Designer III, Department of Digital Learning — Jun 2020 - Aug 2023
Florida Gulf Coast University, Fort Myers, Florida

- Developed and facilitated digital and in-person training on artificial intelligence, course design, online teaching, and new faculty onboarding for 10-100 participants per session.
- Consultant to 200+ SMEs to identify learning improvements using LMS grade data.

Assistant Director, Teaching and Learning Center — Jul 2018 - Jun 2020
Florida SouthWestern State College, Fort Myers, Florida

- Reported Kirkpatrick Level 1 and 2 results to stakeholders across multiple levels of governance, informing programming and budget.
- Managed multiple budgets totaling approximately $100,000 and a team of 4, including hiring and performance reviews.

Coordinator, Faculty Development and Training — Apr 2015 - Jul 2018
Florida SouthWestern State College, Fort Myers, Florida

- Managed a training portfolio of 150+ courses, including coordination, organization, and evaluation of annual multi-day conferences drawing 100-125 participants per day.
- Administered enrollment, registration, and evaluation systems serving 500+ learners.

Instructional Designer, Edison Online May 2012 - Apr 2015
Florida SouthWestern State College, Fort Myers, Florida

- Managed the technical migration, administration, and redesign of 50+ courses from Blackboard to Canvas within an organization-wide change management project.
- Managed 20+ instructional design and eLearning projects (courses, video/audio, job aids) with SME check-ins, building accessible materials in Articulate.

EDUCATION

Master of Science, Instructional Systems and Learning Technologies Expected Dec 2026
Florida State University, Tallahassee, FL

Graduate Certificate, Educational Technology - eLearning Dec 2011
University of Central Florida, Orlando, FL

Master of Arts, Interpersonal/Organizational Communication May 2007
University of Central Florida, Orlando, FL

Bachelor of Arts, Liberal Studies in Communication Dec 2004
Florida Gulf Coast University, Fort Myers, FL

Quality Matters (QM) Certified Course Reviewer, 2019, recertified 2023
Online Learning Consortium (OLC) Advanced Instructional Designer Certificate, expected June 2027

PROJECTS AND PROFESSIONAL ACTIVITY

- Needs analysis: co-conducted a job and task analysis for a volunteer learning initiative.
- Project management: co-developed the project package for a proposed construction-safety course, owning scope, schedule, and risk management.
- Transfer of training evaluation research: co-designed a mixed-methods evaluation of training transfer factors for allied health professionals.
